... A VOTE FOR ...

John C. Pepples For Assessor, Of Lincoln County,

Means LOW TAXES for the POOR and OPPRESSED PEOPLE all over Lincoln County. He will, if nominated to-morrow and elected in November, appoint a competent corps of deputies to assist him. He will deal justly with the RICH as well as the POOR. He has made a clean race and victory is assured. He appeals to his friends in each precinct to go to the polls and have their neighbors do likewise and let the PEOPLE RULE over combinations. Give the Farmers and Toiling Masses a chance.

The Adult Bible Class Conference And Banquet.

The Adult Bible Class Conference at the Second Presbyterian church, Louisville, Feb. 11 and 12, and the banquet at the Galt House the evening of the 12th, bid fare to be one of the most interesting occasions of the kind ever held in the State. Many classes and Sunday schools out in the State will be represented, and several of the large classes of the city are planning to attend one or more of the sessions in a body.

The speakers for the occasion are the very best the State and nation affords. Mr. W. C. Pearce, of Chicago, the International Superintendent of Adult Work, is an intensely interesting and practical speaker. He will bring us plans and suggestions from the best organized classes on the American continent. Rev. R. H. Crossfield, president of the Transylvania University at Lexington, was formerly pastor of a large church at Owensboro, Ky. While there he built up the largest class of men in the State and organized them for efficient service. He will give us something inspiring and helpful. Mr. L. P. Leavell, who did us such acceptable work at the last State Convention, is full of enthusiasm and will inspire us to greater efforts along this important line of work.

The banquet at the Galt House, \$1 per plate, is open to every one and we ought to have from 500 to 1,000 present. The speeches of the evening will be the finest of the occasion. The general public is invited to participate in both the conference and the banquet. For program and particulars address E. A. Fox, Louisville, Ky.

To The Voters of Lincoln County.

The campaign is now drawing to a close and to the democrats I have failed to see, I want to say I have tried my best to see them. The slogan of my campaign has been not to give one man 18 years of office to my none, for the reason that it is not only not right, neither is it democracy. Hoping you will concur with me in this opinion and help me get the nomination for circuit clerk, in which event I promise you to use every honorable means at my command in helping to carry the entire ticket to victory in November.

The Georgia prohibition law expressly forbids the soliciting of orders for whisky in any way. A number of newspapers carry whisky advertisements and the Anti-Saloon League has employed an attorney to prosecute them, having been assured that they are liable to the fine imposed by the law.

"What happens when an irresistible force meets an immovable body?" "Dee, divide de gato money," answered the newest member of the class. And the professor let it go at that.

A tickling or dry cough can be quickly loosened with Dr. Shoop's Cough Remedy. No opium, no chloroform, nothing unsafe or harsh. Sold by Penny's Drug Store.

Water thrown upon ice in the Arctic regions will crack it, just as boiling water breaks glass. This happens because the ice is so much colder than the water.

Soldier Balks Death Plot.

It seemed to J. A. Stone, a civil war veteran, of Kemp, Tex., that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me, in spite of all remedies, for years. My weight ran down to 150 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 175 pounds." For severe Colds, obstinate Coughs, Hemorrhages, Asthma, and to prevent Pneumonia it's unrivaled. 50c and \$1. Trial bottle free. Guaranteed by Penny's Drug Store.

"Do you know your orders, sentry?" asked an officer.

The Secret of Long Life.

A French scientist has discovered one secret of long life. His method deals with the blood. But long ago millions of Americans had proved Electric Bitters prolongs life and makes it worth living. It purifies, enriches and vitalizes the blood, rebuilds wasted nerve cells, imparts life and tone to the entire system. It is a godsend to weak, sick and debilitated people. "Kidney trouble had blighted my life for months," writes W. M. Sherman, of Cushing, Me., "but Electric Bitters cured me entirely." Only 50c. at Penny's Drug Store.

To facilitate the counting the plates will be moved across a graduated grating in the field of a microscope so that the stars may be counted in strips.

THE Red Cross Society of America, the greatest charity of the world, will set up in Southern Italy a continuing memorial of the international brotherhood. \$225,000 has been cabled to Ambassador Griscom which he will present to Queen Helena for the establishment of an agricultural colony in the earthquake district for the support of children left homeless and without parents. DR. D. C. TUCKER, of Danville, one of the oldest physicians in Central Kentucky, son-in-law of former Gov. Beriah Magoffin, of Kentucky, and grandson-in-law of Isaac Shelby, first Governor of this State, says that Larue county is not the birthplace of Abraham Lincoln; that Lincoln was taken there several years after his birth, and that he was born at Valley Hill, four miles west of Springfield, in Washington county, on the famous Cartridge creek, on whose waters some of the most noted men in the South were born.

PRESIDENT ROOSEVELT, in a letter to the attorneys for the administrator, declares that under no condition will he accept a legacy of \$10,000 left him by the last will of Benjamin Hadley, an East Somerville, Mass., recluse, who died Dec. 16, 1907. The will disposed of property valued at \$150,000 and provided for a legacy of \$10,000 to the president of the United States.

LET every democrat in Lincoln county be at his voting precinct to-morrow, Saturday, and vote. Help make a ticket so strong that it will send a chill down the backbones of those republicans who have political bees in their bonnets and who want to fill the county offices.

THE joint session of the Missouri General Assembly declared Jacob F. Gmelich, republican, elected to the office of Lieutenant Governor. No vote was taken, the speaker declaring the result when the recount committee of five republicans and five democrats reported its finding.

The importation of opium into the United States except for medical purposes is prohibited by a House bill passed by the Senate. The bill will become a law when signed by the president.

Because his employers threaten to discharge him if he continues as a member of the Somerset company of the Kentucky State Guard, Dudley Grabeal, of Somerset, applied to Adj. Gen. P. P. Johnston for a discharge, from the service of the State. Gen. Johnston granted him the discharge, as he did not think a man should be forced to give up his method of earning a living.

Additional Local.

LAST Tuesday evening Rev. D. M. Walker entertained his Bible class of young men in a most pleasing manner. Two alleys were reserved at Sargent's and with C. E. Tate and J. W. Ireland as captains, a fierce contest was waged for one and one-half hours. At the beginning of the contest Tate and his cohorts were routed, but this proved only temporary for Ireland with his six legionary soldiers, (for there were six on each side) were routed. After the din of battle died away, Rev. Walker announced that no further contests were in order, but formed the class in line and conducted it to his house, where a most delightful time was spent. The evening was made more enjoyable (if possible) by refreshments daintily served and pleasant to the taste. After an evening of unalloyed pleasure the members of the Bible class left feeling that it was good to be there. This is one demonstration of the fact that religion does not consist in long faced melancholy more than in jest and youthful jollity. It may be well to remember that pleasure consists not in excess. It is well also to remember

"Quips and cranks and wanton wiles,
Nods and becks and wretched smiles"
are wholesome. The christian life may be led in unproved pleasures as in the veil of saintly visage but loath'd melancholy. Let the heart be pure and "there's no height the strong wills of immortals may gain which in striving to reach thou shalt strive for in vain."

MATRIMONIAL.

Robert C. Sauley, son of Mrs. J. C. McClary, of this place, was married in Washington City to Miss Jane Robinson, a charming young girl of Harrodsburg. They were made one at the home of Mr. Syme at 8 o'clock Wednesday evening. Many friends of the groom here offer sincere congratulations and best wishes to him.

THERE will be a red hot primary election in Lincoln county Saturday. The race for sheriff seems to be attracting much attention and in this connection we desire to express our friendship for one of the candidates, Mr. M. S. Baughman, and unhesitatingly say that if his many friends and relatives in this county were permitted to "dead-end" over the line and vote for him, his election would be assured. As sheriff for four years he discharged his duties faithfully and fearlessly, being just the character of a man to protect and guard the interests of the people, and if reports be true we expect to hear of his nomination.—Lancaster Record.

TO-MORROW, Saturday, will settle the question as to who the democrats will vote for for county officers at the November election. The polls will open at 6 A. M. and close at 4 P. M. and all known democrats are asked to take a hand in the making of a ticket that will be such a good one that the republicans will not dare oppose it this Fall. Things are getting pretty warm in the county and there is much speculation as to who will win the various races. The line-up is as follows: For county attorney, W. S. Burch and M. F. North; for circuit clerk, J. D. Swope, J. F. Holdam and Leslie Anderson; for sheriff, M. S. Baughman and W. L. McCarty; for jailer, J. J. Moser, James C. Hays, Dink Farmer and W. A. Carson; for assessor, W. W. White, J. W. Foley, D. C. Allen, John C. Pepples, S. M. Owens, J. A. Dudderar and W. D. Wallin; for coroner, W. T. Smith, George P. Bright and A. R. Wallace. In the Crab Orchard district L. K. Wells and Ward Moore are candidates for magistrate and in the Hustonville district W. M. Dudderar, Zora P. Smith and J. K. Helm are contesting for the "Squires" place. All of the races promise to be close, while some of them look as if there will be "an eye-lash finish," as the horsemen say. We have our choice in each race and presume our readers have theirs. So here's hoping the best men will win and that nobody will be sore after the smoke of battle has cleared away.
